

Sports Medicine Conference

for

Veterinary Students

Are you interested in learning more about sports medicine?

Come learn from the top professionals in the field!

November 17-18, 2018

**The Clarion Inn Frederick Event Center
Frederick, MD**

vosm.com/sports-medicine-conference

Over the course of two days, attendees will have the opportunity to hear lectures from world-renowned industry professionals, network and receive guidance on a dog's needs as it relates to health, training and athletic ability.

By registering as a student, you are disclosing that you are a current veterinary student in an academic program or similar circumstance. We will require proof upon registration the day of the event. If you are unable to provide adequate verification, you will need to supply the remainder of the conference fee.
